The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**ACCEPT A STATE GRANT FROM
THE GOVERNOR'S OFFICE OF EMERGENCY SERVICES
AND APPROVE AN APPROPRIATION ADJUSTMENT
(ALL DISTRICTS) (4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Sheriff of Los Angeles County, as an agent for the County, to accept a grant from the Office of Emergency Services for funding in the amount of \$566,000, to upgrade the State's CALGANG system.
2. Approve an appropriation adjustment to purchase equipment and services, offset by revenue from the State (Attachment I).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On December 16, 2003, the Board authorized the filing of a grant application to request funding to upgrade the CALGANG system. On July 1, 2004, the Sheriff's Department received notice of the award (Attachment II). The Sheriff is now requesting approval to accept the grant and approve the appropriation for this one-time enhancement for upgrading the CALGANG system. The covered upgrades will allow the CALGANG system to become a proactive tool for gang investigations, as well as provide mapping capabilities to project the impact of

gang crime throughout Los Angeles County or the State. This system will benefit the 12 regional local law enforcement agencies' gang information centers.

The statewide database is comprised of the central node at the California Department of Justice (DOJ) and the 12 regional nodes. The regional nodes include: Alameda County Sheriff's Department, California Department of Corrections, California Youth Authority, Fresno Sheriff's Department, Kern County Sheriff's Department, Los Angeles County Sheriff's Department, Orange County District Attorney's Office, Santa Barbara Police Department, San Bernardino Sheriff's Department, San Diego Police Department, San Jose Police Department, and the Sonoma County Sheriff's Department.

Numerous police and sheriff's departments within each regional node have been trained on the CALGANG system and are designated end users, making CALGANG truly a statewide law enforcement gang intelligence tool.

Implementation of Strategic Plan

The grant conforms to the Los Angeles County's Strategic Plan as it will enhance the service excellence of the CALGANG System. Use by local law enforcement to gather gang intelligence is beneficial to our jurisdiction and outlying agencies in their commitment to making the communities and neighborhoods served by them safer places in which to live.

FISCAL IMPACT/FINANCING

The \$566,000 grant will provide funding for:

- \$ 80,000 - mapping application licensing agreement
- \$ 174,000 - full time support contract with ORION Scientific Systems
- \$ 80,000 - DOJ/Local Node Search modifications
- \$ 60,000 - digital Field Interview input capability
